“ John, I can never forget you. We were friends for over 75 years. You were best man at my wedding!

And I still remember the time in the early 50s when you drove up to my house on 74th St., Brooklyn, with your brand new yellow mercury. That car really made a statement! Those were the days.

“ I remember when I first started working at Greg Thomas State Farm office on New Monmouth Road 11 years ago it was always a pleasure when John would come in.

He was always so pleasant & had great stories to tell.

I wish all my customers were as pleasant & happy as he was.

My sympathy to the Lauricella family, he was a special man.

“ We were sorry to hear about John's passing. I first met John when he was interviewed by one of the teens at the Middletown Public Library about his military service. His recounting of his service in World War II was incredible; the teens (and me) were mesmerized and grateful for his sacrifice. His beautiful artwork was on display at the library a few years back and was very well received. Our family feels blessed to have known him as he was one of a kind. Recalling his infectious laugh makes us want to believe he's up in heaven telling a few jokes and being loved by all those who went before him. Our thoughts and prayers are with the Lauricella family at this time.
